Lesson: Day 5 and Day 6

Object Lesson

(15 minutes)

Preparation:

-Arrange the children in a circle.

- Days of Creation Board

Connect with children by carrying through with action words on the text.

This will engage the children and draw them to pay close attention.

Hi children! Can you show the class your smile? (Wait for children to smile). Would you like to sing a song? Well, my friend here (stuffed animal on lap) loves to sing to Jesus and I do too! Sing with me:

(sing "God Created" two times)

Now we are going to read a story! (From the book *Read Me a Bible Story*, read God fills the sea and sky (page 10), God fills the land (page 10) and God makes people (page 11).

- Encourage the children to look and touch the pictures on the Creation Board.
- As you are reading to the children be expressive. Encourage them to repeat key phrases after you, such as: *God said "That's good!"*
- After the story encourage the toddlers to complete the coloring page.
- If the text is too long, summarize it for the children.

Teaching Tips

- Share the children's positive interactions with their parents.
- Be creative! Do not be embarrassed to make noises, use strange voices and funny facial expressions. This will help the infants and toddlers make a connection with you and the lesson.
- Lean on your Junior Helpers! They can be of great help by redirecting the children to the lesson while you teach.
