Lesson: Day 7

## Object Lesson

(15 minutes)

### Preparation:

-Arrange the children in a circle.

- Days of Creation Board

Connect with children by carrying through with action words on the text.

This will engage the children and draw them to pay close attention.

Hi children! Can you give a friend a high five? (Wait for children to high five). Would you like to sing a song? Well, my friend here (stuffed animal on lap) loves to sing to Jesus and I do too! Sing with me:

**(sing "God Created" two times)**

Now we are going to read a story! (From the book *Read Me a Bible Story*, read God Rests (page 11)

- Encourage the children to look and touch the pictures on the Creation Board.
- As you are reading to the children be expressive. Encourage them to repeat key phrases after you, such as: *God said "That's good!"*
- After the story encourage the toddlers to complete the coloring page.
- Think about this: "You may be the only connection a child has with God through the week."
- Your commitment is making a difference in these children's lives.

## Teaching Tips

- Share the children's positive interactions with their parents.
- Be creative! Do not be embarrassed to make noises, use strange voices and funny facial expressions. This will help the infants and toddlers make a connection with you and the lesson.
- Lean on your Junior Helpers! They can be of great help by redirecting the children to the lesson while you teach.
